WARNING ORDER - SENIOR HANDS WEEKEND 2020

Good Day,

Leadership development is a pillar of the Sea Cadet training program. A focus on guiding cadets to discover their 'inner leader' is a key component to all of our corps' activities. Cadets discuss and gain an understanding of leadership as they progress through the phase program.

The senior cadets of RCSCC 31 Lion (PO2's and above) will participate in a fun and informative leadership/ team building weekend designed to enhance their knowledge and ability to communicate with one another. The weekend program will have an emphasis on teamwork and leadership in a Covid environment; online and in-house for the 2020-21 training year.

Training Weekend to be held:

Saturday October 3 and Sunday October 4, 2020

0900 - 16:30 hrs, LHQ 31 Lion (125 Barton St. West, Hamilton)

Cadets are responsible for arriving at the LHQ on time for each training day by 'own means'. Parental/ Guardian Pick Up is a 1630 hrs both days.

Please see the attached documents for some amplifying information regarding the weekend.

Cadets are to RSVP their attendance NLT 30 SEP 2020 with the Coxswain.

I look forward to getting to know the cadets throughout the weekend as we work together to deliver a great cadet training experience.
